1. Thanks to all the Legionnaires for their support during the election cycle and we look forward to doing bigger and better things in the upcoming year.
2. The support of Each Legion Member is needed to keep our Post strong and financially sound. Your vital support includes volunteering, attending Post meetings, and supporting Post events.
2. Memberships run from Jan 1 – Dec 31 regardless of when you joined.
3. **It is your support that keeps the Post running, without it we fail. I welcome any ideas members have on how to grow membership and participation.**
